Praise goes to Pagan(Yr6) this week as she planned and ran a superb 'Waikaia's Got Talent Show' The show was very well received with 5 groups entertaining a packed room, and showing off their talents of dancing and singing. I must say the three judges looked fabulous as well!. A school wide assembly followed and both classrooms proudly presented a range of work they had accomplished over the term. Certificates were awarded for all athletic achievements, spelling awards, and progress made in reading and math. Once again our senior students (Thomas and Luke) chaired the assembly and did a fantastic job. Mrs Smith introduced a new programme beginning in term two- Passion project/ Genius hour. More information will be sent home tomorrow with your children.
Last Friday Waikaia School and The Waikaia Community raised $246.00 to donate to the I AM HOPE Foundation. Such a worthy cause.
I hope your term break is a happy and safe one. Term Two begins on Monday 29th April.
